## Email Notifications and Social Media

**300 W. Cotton St.** | [Click here for map](#) [1]

[City News \(News Releases\)](#) [2]

The City of Longview strives to provide multiple options to stay informed of city government and services. With email notification and social media tools, residents may register to have information delivered directly to them. Below is a summary of Longview's notification options.

---

### Email News and Updates

Residents can receive email newsletters from several different City departments. In addition, anyone may register to receive email notifications of all City News Releases, City Council Agendas, and Job Opportunities.

[5]

---

### Facebook

Facebook is a social networking tool that allows users to create a personal profile, stay in touch with friends, join social groups, and receive information about organizations. The City of Longview and the Longview Public Library each have a Fan Page on Facebook used to communicate information about City government and services.
